“ I am so sorry for your sudden loss. I worked at Orchard Park Middle School with Gary. He was such a nice man, with a great sense of humor. That guy had so many interests, and was always fun to talk to. May you feel the Lord's comfort and love during this most difficult time. You are in my prayers.

“ I am so sorry for your loss.

I taught at Orchard Park MS with Gary for 26 years. He was a great teacher and a warm, supportive colleague. He will always be remembered fondly.

“ I grieve with you today as the tragic loss of life is never easy. Condolences to the children, grandchildren, families and friends of Gary.

I hold the memories I have of many occasions of laughter and smiles and humorous times gone by and hope you can as well. May Gary rest peacefully in God's care and the best of happy memories sustain you.

Sincerely, Peggy Tabone SC

“ My sister Lindy and my mother Lorraine and I always had good times with our cousin Gary and his brother Skip. I'll never forget when he stuck a suction cup on his forehead and when he pulled it off it left a big bruise on his head. Then when Gary was in the service, my mother sent him a picture of a big turd with a ruler and coffee cup next to it. His commander in chief asked a lot of questions about it. He was quite the character and we truly loved him. Joanne nee Pauly

“ Gary was a very good teacher, his dry sense of humor and patience in the classroom kept his tech classes interesting and always. His love of Maria, family, corvettes and sailboats always provided great stories! My sincere condolences to family and friends

“ Gary was a member of my corvette club. I approached him last year at a car show. I had just purchased my 69 vette and I was looking for some people to talk to to learn more about it. Gary was sitting in a folding chair with another gentleman named Tom. Gary told me about the Corvette Club they was in and invited me to join. He was so warm and friendly. After I got the vette he told me how much he liked it and even offered me some pointers on what could be wrong with the numerous electrical issues I was having. He told me at one of the first car shows that I brought my car to "that car would look great with side pipes" Well the side pipes are going on and every time I hear them, I'll think of you Gary. You will be missed.

Knew you since the 50s. We were kids growing up. 75 years of memories. Riding our Harleys together, working on the Corvettes and having dinner two nights a week together. I'll miss you every day for the rest of my life. I'll never forget you..
