“ *I have so many memories of Geno and the family when I was a kid I go stay at my grandma and grandpa's who lived across the street from the Martino's and I'd spend almost my whole summer there I remember going swimming in the pool and we get out we always hear dry off like a dry Martino not a dry martini a dry Martino or getting chased up and down Tennyson Terrace running the streets all hours of the night getting yelled at for giggling too loud at night in the bedroom when you're supposed to be sleeping or just sitting in the garage Geno was like a dad to me he is going to be so miss*

“ *Oh...my Dad...how we've been through so much! Too numerous to mention. From the days of you chasing us down Tennyson Terr in your Bastaads, to you holding me when my heart was broken, to you taking care of me with Dommie. My love and respect for you is immeasurable. I cannot thank you enough for all that you have done for me; we all have had our moments, but the best was having you as my Father. God graced me with you. I love you for eternity. Until we meet again...*
