“ Aunt Genevieve was like a second mom but far away. We were all blessed to have her in our lives. Tons of fond memories will go on forever. Family, I'm sorry for our loss.

“ I did not see Great Aunt Gen very often growing up in a military family. But I had the pleasure of spending part of a Spring Break with her when I was 15. My first solo flight & trip to Buffalo, the “Mother Land.” LOL! She brought me to a family reunion, my first and only. I cannot remember everyone I met, so many name tags! But I will always remember the experience and thinking I must have one of the largest families on Earth. It was a tremendous gift. Gen's unparalleled generosity, hospitality and love made a life-long impression. I pray that as her loved ones grieve her loss they know she is only a thought away; just in the next room. God rest her soul & peace to all her knew her.

“ I was honored to know Mrs. Taberski and then, Mrs. Grew as Aunt Gen for most of my life. I was a classmate of her eldest daughter for 12 years and lived in the neighborhood. Gen was lovely, generous and kind to everyone. She was talented and energetic and an inspiration to me. I was blessed by her presence in my life. I hope her children, grandchildren, great-grandchildren and family and friends remember her warmth and feel her spirit in all the rest of their days. I will never forget her. She was a force of nature. I am so sorry for her loss.
