“ *Sending my thoughts and prayers to George's Family. I was truly heartbroken to learn of George's passing. I had the pleasure of meeting George some years ago when he would come into our office with his friend Nelson. I will miss our talks, laughs and the way he could smoothly get me to buy tickets or candy he was selling for the Lions Club or The Blind Bowlers Association. It was a pleasure getting to know him and becoming friends. He will be missed. My deepest condolences to the entire family. Our prayers and thoughts are with you all. May God keep you strong and united through this tough time.*

“Jorge (hor-hay)!” I used to call out to him whenever and wherever I would see him. That would always bring a smile to his gentle non-assuming face. So many wonderful memories of him. My favorite is returning to the states after a Journey for Sight walk from Buffalo to Fort Erie. He shared the back seat with a woman and her very friendly guide dog. All of us were wet from a recent shower. As luck would have it, we were directed to the inspection garage where everything had to Xian’s out of the car. George and I sat quietly while the woman became increasingly agitated. Suddenly, George opens up and tells her to be quiet in no uncertain terms. After all, we were in no-man’s land and could have been charged with a crime. George made his point and within a few words, she shut up, never to speak to us again. His jokes and his demeanor I will always hold close to my heart. May God bless you my friend with a joyful eternity far beyond our wildest expectations. And may God bless you his grieving family. May you find peace knowing you are in the prayers of so many. RIP Jorge!
