“ *Gerry was a wonderful human! She was loving and kind and funny...and sometimes stubborn - all parts of her character that made her unique and forever cherished by her family and those who knew her. She was truly one-of-a-kind; the mold was broken when "Aunt G" was created. I will always remember her for that incredible laugh that seemed to radiate from the depths of her being and for the love she had for those closest to her. My deepest condolences to the family. Sending love, strength, and comfort.*
