“ Glenda was the glue that kept us all together. She was always in a great mood, a ray of sunshine and took such good care of our father Floyd back in the ARS days. Glenda.... You will always be in my heart and ask that you now take care of dad in heaven. Prayers and hugs to family. God Bless.

“ Mom (Her Aunt) enjoyed Glenda's frequent phone calls and handwritten letters, and keeping the Buffalo-Cumberland connection always open! Glenda was MY Twinsy - and we teased each other how much trouble we would get in, if we lived closer! Forever in my heart!

“ My heart goes out to the family. Glenda was a blessing from above to all around her. Glenda lived for her family and friends. She loved unconditionally and was non judgmental. I'm sure the lights in heaven got brighter when this angel arrived. I will miss her more than anyone knows. Rest easy my friend and know how much you are loved.

“ Glenda was one of the kindest woman I have known i worked with her years ago at ARS (Visteon) she was everyone's mom. She had the biggest heart. Even though I haven't seen her in years my memories of her are wonderful. She will certainly be missed by all who had the honor of knowing her.
