“ I am so sorry for your loss. Glenn was a thoughtful, kind, intelligent person very easy going. We worked at school 45 together and I was so impressed with his knowledge of plants and nature. He nurtured little seedlings to really healthy plants under lights in the basement. Some plants I thought were difficult to sprout let alone grow. I still have a photo of his garden as inspiration because it was so beautiful! He was so proud of his family. At the time I had known Glenn he was so proud of his son becoming a meteorologist. I had visited the family one time and Glenn showed me his garden. IT WAS BEAUTIFUL! Not only was it landscaped beautifully, but also he showed me and talked about all the beautiful birds that came to feed from the bird feeders. He was a gentle soul. When he had his 60th birthday party the staff from school 45 was invited. My date and I had a great time. The food was GREAT especially the pork chops I had never had pork chops like that. We danced and felt so welcomed by your family! It was an honor to know Glenn. At this time I call your attention to the Beatitudes (Matthew Chapter: 5) "Blessed are the pure in heart, for they shall see God; Blessed are the peacemakers, for they shall be called sons of God. Rejoice and be glad, for great is your reward in heaven." One cannot know the destiny but take comfort in this... Glenn now sees the face of God! May God Bless you and your family! Sincerely, Joyce Gallagher
