“ I am Greg's cousin Diane McDonell, I was his Uncle Don's daughter. My thoughts and prayers go out to the Rowell family and all Greg's brothers and sisters. We lost touch with some of my cousins after Aunt Dolores died. I truly feel your pain and send love and prayers from my family.

I worked with Greg at the VA for 20 years before moving away. He was one of my most favorites. He was opinionated & gruff, but I loved the guy! I always looked forward to our shifts together & if he was grumpy I made it my mission to make him smile before midnight. I will truly miss that smile & the world seems a sadder place now that he is no longer in it. To Christine & his large family, please accept my deepest sympathy & condolences. May all of you find peace in knowing that he will be deeply missed by many. Till we meet again Greg...
