“ Noreen, Jillian, Lindsay & HHK,

I just wanted you to know that my heart, thoughts & prayers are with you at this time. We will miss Greg so much and all of his little jokes. He always brought sunshine to the office when he would walk in. I will always remember all of the times we would sneak outside and mess around with everyone's car (which was always HIS idea) ! He was famous with Tim for putting outrageous things under our windshield wipers whether it was a rock or a huge branch! He always could sense when we all needed a break from the stress of work and make us smile and laugh. What sticks out more than anything to me though is the love he had for you Noreen. It is not often that you see a love like that. You were his number one and it really showed when he was around you. The love he had for you would visibly show when he was near you and that is a very rare special love and you are all so blessed to have been surrounded by that type of love. I hope all of your memories will keep his spirit alive forever. I know he is walking right by your side now and he will soon enough be sending you signs! I am so happy to have spent time at the Luau with Greg it was such a fun, happy time and I will never forget it! I love you guys!!

Love, Maria
