“ *Aunt Hank makes the best desserts! Her pineapple squares and banana bread weee a few of my favorites. When they had the house on Honeoye Lake, she would row out early morning and catch sunfish which she filleted and put in the freezer. Her bowling league and card club spanned many years. She listened well to everyone and showed compassion when someone was down. I remember her telling me that after Uncle Leon passed away she missed him greatly. For a while she went to bed in his pajamas. Cheers to a wonderful mother, aunt, sister and friend to so many!. Love, Betsy*
