“ *Dear Paul, Maureen and Family  
Please accept our condolences for the passing of your dad. He was a very good friend to my dad, Mike Maziarz. Together they initiated and built the VFW post on Lovejoy and shared many veteran memories as well as making new ones. I heard many messages weekly on my dad's phone from Henry's encouraging words. His caring calls when he didn't hear from my dad were relentless. What stands out most was his fortitude when although he couldn't drive, found a way to attend my dad's funeral mass at St. Andrews. His beautiful words to me will always be cherished, "I just had to come to and wouldn't have missed it for the world." What a testament to your dad. I know he was a great man who made this world a better place. I hope you will keep these and other memories in your heart to comfort you. God bless you!
