Tribute Wall

ES

“ *She lived a life full of happiness. Her thoughtfulness will always be remembered. For years I received a card on my birthday, and for many years at Christmas too. The cards contained a few dollars. How amazing that she remembered me for all those years. At almost 90, she attended the baby shower of our first born. I will always have a memory of her smile and how it brightened the room. Our thoughts and prayers are with the family.*
