“ *My Dearest Brother Jimmy,
Today I will say goodbye to you. One of the most difficult moments
in my life. I know in my heart that you are at peace now free from
any pain. My heart aches to see you one more time, but I know you
felt the love that I had for you. We will forever be bonded by that
love. I will see you again someday and we will laugh again and
remember all the good times we had together. I will miss you my
dear brother!
Love you will all my heart, Sharon xo*

“ *My Dearest Brother Jimmy,
You were my best friend, my confidant and my childhood buddy.
The bond we had as children growing up was inseparable. You
were the GI Joe to my Barbie, the left hand to my right hand and the
"this" to my "that". You could make me laugh like no other. Your loss
has left a hole in my heart so deep. I can't imagine my life without
you. You always said I was your Angel well now you are mine. I
know in my heart that you are with Mom now and you are both
watching over us. I will always and forever love you Jimmy and will
remember all the good times we had as brother and sister.
Love you with all my heart, Sharon xo*
