“*Jamie and I worked for the same company at one point a few years ago. He was the nicest guy there to me and always helped me do some of my work (which was not at all his responsibility) I looked forward to seeing him and talking to him. He was always talking about music and guitars. I'm so saddened by the family's loss and my thoughts go out to them. From my brief interactions with him a few times a week I could tell he was a really good guy.*”
