“ To the family and his loving lady Sandra, I am so sorry for your loss .I had no idea Jim was ill. When he was a kid he talked about some gangster, can't remember who it was.
He was very serious about this and we laughed at him for it. We did not mean it. We were just kids. I was not as close to Jim as I was to Tom. I guess Tom and were close in ages. We all grew up and lost contact with each other. I am really sorry for that. /and again so sorry for your loss.
