“ Thank you Jan for welcoming me to this crazy family. We had a lot of fun celebrating holidays and major milestones. I also enjoyed “Our Fridays”, taking rides on Sundays with no destination in mind-trying to stay out of trouble, and sitting on your front porch. The people of Livejoy will also miss the lady on the front porch who handed out dog treats, lent an ear, and offered them an angel.

I volunteered at the Lovejoy Food Pantry and have known Janice for years. She was a lovely lady and would bring us flowers and angels. We will all miss her dearly.
