“ Jeff was so much more than a good step dad for my daughters, Katie and Amanda, he was truly a "bonus daddy".  
Truly a great "pap-pap" to Alexa.  
My deepest condolences to all who are grieving over this loss.

*I never met a patient who faced his illness with such courage and optimism as Jeff did. He had the best, loving support anyone could ask for, too, and I offer my deepest condolences to Lori and the family that loved him so much. I will miss visiting and talking with Jeff—always inspired, never forgotten. Dr Slater*
