“ *It's never easy knowing how to address the loss of a loved one, especially in this situation, where the person is a family member. Tricia, Greg, Amy, Nic holas, Sydney and all of Jeff's closest family... I know your pain is deep and I'm sorry you have to endure that. Jeff was my first cousin and I have many, many fond memories growing up together. Our family is burdened with Huntington's and we need to support one another as best we can. My love goes out to each of you. Godspeed, Jeff.*
