“ *Jerry and I worked together at the police department and became friends. We ran security together at the St Barnabas lawn fete for years. Jerry had a cabin right down the road from us in the Town of Humphrey and we shared a lot of laughs together. He was a good man and I will miss him. So sorry for your loss.*

“ We want to extend our deepest sympathy to the entire family. Jerry was a great man and will surely be missed by so many. I was his flower girl many years ago. I am so glad we all were able to visit and have many photos and great memories from our recent family reunion. My parents (Aunr Ann and Uncle Harry) loved Jerry and always enjoyed it when he would visit them. Jerry was a wonderful, kind man and we will all miss him

Jerry was a mentor to me when I worked K Mart security in the 80s and early 90s. I went on to have a 30+year law enforcement career. I owe him so much for all his advice and guidance. Rest in peace my friend.
