“ Daddy,

Words cannot describe the way I am feeling right now.

I miss you terribly and was not ready to say goodbye. But knowing you are free from all the pain you have been through and even more so these past years I am trying to find the comfort in that.

Nick misses you just as much, you were such an amazing dad to him too.

And your best buddy Marie, although she doesn't fully understand yet, misses her Papa very much.

Please continue to send us signs and watch over us because we still need you.

I hope you know you were not alone, I know I wasn't physically there, but I was with you as soon as I could get there. I know you fought to hold on but know I'm ok, I understood you needed to be set free. And I tried so hard to do all that I could for you. I hope you're proud and ok with it all.

I love you lots and lots and bunches more...

Seen you later daddy

Xoxo
