“ I will always cherish my memories of time spent visiting Aunt Lucy & Uncle John. My mother, Diana, told me today that she received a call telling her of his passing. On behalf of the Mazgaj Family, please accept our condolences. Jenny Mazgaj.

“ John-I cannot remember with certainty, the first time I met your folks. It may have been ND graduation or Ed Rahill's wedding, or somewhere in between. Your folks were a gracious and hospitable host to me for the latter. My mom and dad enjoyed their company for the former. Your dad was down to earth and had a whimsical sense of humor; just thinking about your mom and dad gives me a warm glow inside. Evelyn and I express our condolences to you and your family during this difficult time. Give your mother a hug and a kiss on the cheek for me. Joe Oletti

“ John- I remember first meeting your Dad and Mom when I flew up there in the Winter of 1971-1972 from Long Island. You had invited me for a weekend. Your parents were most gracious and hospitable and went out of their way to make me feel "at home" . A few years later I remember being there and playing horseshoes in the driveway with your Dad and some family friends while we all quaffed a few beers! I will always remember those good times as I am sure you will as well. He was a wonderful man with a good sense of humor and my sympathies are with you all at this time - Joe L
