“ *Mr Dudek, my fondest memory... let's see, I was 16 years old, soooo... 27 years ago. Val and I were going out, and I just got my license, Joe said come on Chris, I'll teach you to drive!!! We got into a orange colored Chevy chevette, Val crunched in the back and Joe as the passenger, I was the driver of course! We backed out of the driveway on Zelmer st in Buffalo and we drove for hours! We went to Angola, Rich stadium, and only god remembers where! Thank you Joe for your patience's and being a good dad teaching me how to drive!*

Other memories, he was a huge Buffalo Bills fan! Watching the game every Sunday and yelling at the TV as if he were at the game! And every Sunday night he and Rose would watch America's funniest videos. We learned NOT to interrupt his TV!! RIP Joe!

“ *I have a few wonderful memories of Mr. Dudek (Joe). One that comes to mind is one Sunday afternoon at the Dudek residents another friend of Val's and mine was hanging out there while Val was at work and I stopped over to see Mike, well Joe answered the door and said “ just in time, game is about to start “. So I went in and saw Mike sitting there getting ready to watch the game. Next thing you know I'm kicking my shoes off sitting there watching the game with Joe and Mike. The memory is how impressive it was that Joe had called a lot of the plays that the Bills did and how enjoyable I had watching the game with Joe and Mike. Then Mrs. Dudek made use delicious food to have while the game was on. Then Val came home to see us hanging out with her parents. Bills won that day. Mr. and Mrs. Dudek always made you feel very welcomed in their home. Each and every time I seen Mr. Dudek he always had a smile and a handshake. I have other wonderful memories but that Sunday was my favorite with Mr.Dudek. My thoughts, prayers and love are with the Dudek family*
