“ I remember Joe as a great guy when he was a security guard at the Buffalo Museum of Science. Always kind and considerate and helpful. A true gentleman. My sincere sympathy for your loss.

“ Joe and I worked together at the Buffalo Museum of Science. He was nice to everyone and took pride in his work. Joe was always available to offer security guard advice and impart fatherly wisdom. After he retired, he would occasionally stop by the Museum to say hello and to catch up. It was always a pleasure to see his cheerful and caring face. My heart goes out to his family. May he rest in peace.
