“ Sincere condolences to the entire Kulczyk family for the loss of your dad. Many fond memories of your dad while spending many hours at your house growing up on Betty Lou Lane with Nancy as my "best friend". We missed you so much when you moved away. Glad we have been able to reconnect a bit in recent years through the running community. My prayers and thoughts are with you and your mom. No doubt, you lost a giant of a man in your family.
