“ Our sincere condolences to Dave and the entire Lacki family. JLL was a one of a kind. They broke the mold with him. He will be missed by all. He leaves behind a great legacy in his children, grandchildren, many friends, and extended family. He knew how to enjoy life to the fullest by day and work "all night long". Here's to his memory and all the good things he brought to us all!

“ My condolences to the Lacki family. Joe was my first boss back in 1981 at PCI. I have many fond memories working on 3rd shift with him, and learned alot from this man. It started me in a 35+ year in the injection molding field. May God bless you all, and thanks for the memories Joe! Bill Loder, Charlotte, N.C.
