“ Mary. Cyril, Joe, & Bart-

Please accept my condolences and prayers for your mom, my dear Auntie Jo. I will always remember her as a great lady who always had a fun-loving smile, an upbeat and positive attitude and concern for others. In her 99 years on this earth, she made a difference to so many of us. She will truly be missed but perhaps we can find comfort knowing that now she is together with all those she missed while she was with us, especially your dad, Teddy & Tommy. The Penna girls are all together and I'm sure they are sharing stories and enjoying each other as they did in this life.

Love,
Penny

Thank you Penny, for these kind words and for the phone call and all you've done to comfort us at this time. Mom really enjoyed being referred to as "Auntie". She had so many sorrows in her life but always charged ahead, instead of looking back. Her "joie de vive" was contagious. For myself, I wish I had danced with her more, she really had a "rhythm" for life itself.
