“ Dear grandma Judy,
I am doing well in all my classes. You would be happy for me, right? I just wish I could ask you how your day is going, but the pain tells me you are really gone out of my life but I will keep your memories in my heart until I get up there just save me a spot right next to you grandma Judy I get up these mornings and I wanted to call you but I could not do that because you are gone. 34 days, I will be 17 years old and I wish you could see how much I have grown up grandma Judy I wish you were here to see how I am going to be going to college soon, grandma Judy. All I am saying is I miss you with all my heart. Grandma Judy, you would be happy for me. I am applying to college now. I have three. I have applied to 3 colleges that came to my school. Grandma Judy, wishes you were here to see me now. How much I have grown over the years!
