“ I spoke to Cindy today. She told me 2 days after you went home with Jesus that she dreamed of you and you said "its ok i am at peace" What a beautiful dream about a beautiful mother. I placed a rose upon your grave to say I miss you and love you. Your loving daughter. Lois

“ To my sweet beautiful mother. I love you. I miss you. I pray you had a gentle passage to your new home with Jesus. You suffered so later in life but was blessed to have a devoted husband and loving children. I remember you always being there for me with kindness and love. I will always have memories of our bowling, making our crafts and shopping together. You were my best friend. I told you a hundred times over i loved you and you said "i love you too" or " you always tell me that" You knew you were loved and i knew you loved me. I have so many wonderful memories of you and Dad which give me comfort in my grief. Truly i had the best mother and father. Rest in peace now you deserve it. Hold your head high and walk again with Dad, your family and friends. I send you lots of love, hugs and kisses. Till we meet again. Your loving daughter Lois
