“ I don't know how to put into words how sorry I am for your loss. I know how close to her heart you all were. I'm glad I was her friend. I'll think of her every time I play Elvis songs on my guitar. She loved that. God Bless You All. Alan (Seneca activities)

“ Hello Cousins, I echo everything my siblings have said about your mom. She was a sweet and fun Aunt. The times spent at your house will always be some of my favorite memories. Your mom always took the time to make sure we were having fun. I hope as you share your fond memories of your mom you can find some comfort. My thoughts and prayers are with you. “ Dear Cousins, My deepest sympathy with the loss of your mom. I will never forget growing up with the Russ family, especially your mom and my mom, the inseparable twins! Because of them we had many fun times, swimming, graduation parties, sleepovers, Christmas's spent together. I will never forget your mom's love for playing cards and I am sure she is now trying to get a card game going up in heaven, I know my mom and dad will join her! Praying for your comfort, strength and peace during this time.
God Bless, Judy

“ Hello Cousins, So sorry to hear about your mom. There were many times long ago that the Gallagher kids traveled from Townline to Cheektowaga to get together with the Russ kids. We had fun times with our cousins for holidays, summer pool swims, walking to nearby playground, running around the house, etc. Your mom was a great hostess during our visits. There were also fun times meeting at Willow Beach in Lancaster for summer sunning and swimming. Your mom was very talented, especially with baking and sewing crafts. Your mom made my delicious wedding cake and brought a homemade Christmas ornament when visiting us in San Diego. I am glad your mom was able to make it here for a couple visits. Again, our sincere sympathy. Our thoughts and prayers are with you during this difficult time.
Love, Your Cousin Linda & Family, El Cajon, Ca.
