“ *My sincerest and deepest condolences to her family, Cameron, Lily, and anyone who's life she was a part of. She was a beautiful person inside and out. I worked with her, but she was more than a coworker. I'm grateful to have had her in my life.*

“ I grew up with Kaylee in the same class and when she started to work with me at Mental Health Advocates years after graduation I was so excited to see her light shine as an advocate. I'm so lucky to have had that time to get to know her story better and I'm deeply saddened to hear of her passing. Her light was one of the brightest, and always will be in my heart. Kaylee may be gone but will never be forgotten, and I pray she is at peace among the stars now. My heart goes out to her loved ones during this difficult time, especially her sisters who I've known and grown up with as well. Please lean on your loved ones as you navigate this new stage of life and remember you aren't alone in your grief.

“ Words cannot express My Deepest Condolences to the entire Barker Family. Having had the pleasure to meet Kaylee and the honor to work with her the past 3 years. I met a young woman on her young Adventure through life. She was Nice, Tough, Caring, Friendly, Funny. Her Work Ethic was Impeccable; VERY Impressive. Kaylee was the youngest at the office and Well beyond her years. Kaylee could outwork many twice her age and did. She touched many souls with her attitude, drive and dedication. She was ALL Business, but yet the same could hang out with the girls or the guys and still be levelheaded and relaxed She was part of the "Gang", We would go out for Breaks during work on our days in the office and sometimes meet up for a Breakfast or Lunch outside of work. I'm proud to say We shared a same duty at work and we worked like a Well-Oiled Machine together, pretty much orchestrated by her. Kaylee set up the Schedule, we would communicate if we were taking days off or vacation, I'll cover this, You cover that. ETC. She was on her game. Well Respected and Loved throughout the office. She will be DEEPLY missed by Myself and Many, But NEVER Forgotten. R.I.P. KAYLEE B. I will miss talking about Pizza places with you and other good food places. :)

“ Dear Sweet Kaylee, Grandpa and I are just trying to comprehend how we will go through the rest of our days not being able to see your smiling face, hear your voice, your laugh and you protecting Lily from Ryder at Mom and Dad’s house! Our hearts are broken but we will always cherish the great times we had together, like at Holden Beach and Oak Island! I think back when we did our Sky Dive, how it was Brianne, then You, then Mom and you all made me go last! I Remember saying you all wanted to watch me fall on top of the guy I was strapped up to! We even harassed Your Dad and Grandpa because neither one of them would do it! Two grown wimpy-men but it was so worth it! ☐☐

Kaylee you will always be in our hearts and our thoughts! We will always continue to talk about you and keep all those memories alive! Until we see you again on the other side, please know You were and always will be Loved and Missed by Grandpa and Me, your Dad and Mom, Christian, Brianne, Sammie, Kyle & Alexia, and that Special Guy Cameron (His Deep Love for You was beyond everything in his life) and Lily too!

May You Rest in Peace sweet Angel ❤️🤔❤️🤔🙏🙏🙏🙏
