“ So much life has happened since we last talked. Where'd the time go?? I miss the days of our youth, but growing older is impossible to avoid. It's hard to think through my sadness. I hope one day we sit and talk, to reminisce about when life was less complicated.

*May peace be with you as you walk in the sunlight of the spirit.*

*See you on the other side.*

“ I feel so privileged to have been selected by the man upstairs to share ken's final day on this planet. He was the greatest human being on this planet. He would always point out his mothers star in the sky where i know he is there now.you will be greatly missed and i will see you very soon. Have i told you i love you today ? My friend, my brother, woop woop SOB I will be looking for you on the hill.
