“ There are never any words to say at a time like this, that are really "enough", I feel. So I will just say simply that I am so sorry for your loss. And the worlds loss of someone so young. I hope she is at peace. And I wish peace and healing to those she left behind. I can't say that I know you well, Jess and Brandon, but I wish you all the love in the world during this extremely tough time. I regret that I was unable to attend the service so I could pay my respects properly .
