“ Dear Sharon,
I was so sorry to learn of the death of your son, Kyle. It is so difficult to lose someone so young. We know the great loss you feel, as we lost a daughter at 37 years old. My thoughts and prayers are with you and your family at this difficult time.

“ *Dear Don and Sharon, We are terribly shocked to hear about the sudden loss of Kyle. I just don't know what to say, or why that had to happen to someone so young, but although it's hard to say' God knows best and HE has a plan for everything. Christ says in John 14 "Do not let your heart be troubled...My Father's house has many rooms and I go and prepare a place for you that you may be with me. Believe it, Kyle was one of God's children and loved by Him. And for those whom mourn, HE says, Matt 28:20 I am with you always, even unto the end of the world. Deepest Sympathy Mark (Sparky) and Bev Witkop, We are in Florida for the winter.*

Sharon,

My heart is breaking for your family. This is something a parent should never have to deal with. I lost my brother when he was 20. My heart goes out to Linsey and Sarah. I will pray for your family. This is an extremely difficult time. I know from my own experience. Take good care of each other and try to remember and reflect on the good times. It really does help. He will always be with your family, just in a different way. I'm so sorry for your loss. Don't ever hesitate to reach out to friends and family, they will always be there for you. You were an angel in my life years ago and I have never forgotten that. I will pray for strength and peace for all of you. MuchLove, Tammy Smith
