“ Larry was my cousin, neighbor and friend. With me living in Texas the past 20+ years I didn't see him much. But I knew what was going on in his life. He often drove my Father to the places he needed to go. My Father would speak fondly of Larry, calling him his "other son". He took care of his "Uncle Wally". I will forever be in his debt for that. God Speed and Rest in Peace.

“ Larry and I compared notes on our grandchildren. He was so proud of the little ones and always had a new pic to share. I will miss him at our Seniors meetings. Bless the family.
