“ Uncle Lenny had a heart of gold. He would do anything for anyone. From Arizona to Buffalo he made his mark. He and my father Stanley Lisowski were the best of friends and nothing could have changed that. My memories of Lenny will be everlasting. I'm sorry you did not get the chance to meet baby Lyla, but I know your looking down on her from above. You will truly be missed. Gone but never forgotten. Say hi to Rickets (Rivets) for us!! We love you!!

“ Uncle Lenny was the kindest, most generous and loving man I have had the privilege of knowing my entire life. He always cared so much about the well-being of our family and we always loved our thoughtful gifts come Christmas time and birthdays. Uncle Lenny, you were the best friend to my father, Stanley, for 50+ years and I know my dad won't be entirely the same without you; but we know you'll watch out for him and all of us. You've always talked about a better place after this life, I hope you've found it. Rest in peace, Lenny. Although I can't be there to say good-bye, know that I love you and will miss you.
