“ I really miss you my dear old friend. I have many fond memories of our younger days when I lived in Western NY and will always cherish them. We had a lot of great times fishing and hunting together. Thank you for being a great surrogate big brother and teaching me on how to become a better hunter and fisherman.

“ Lesya & family, we are so very sorry to hear of your dad's passing. It was great to hear your voice last night and some of the stories about his final days with all of you. What a gift that you were able to visit with him, share stories, and love with one another. I know you and Heidi will forever miss his presence in your life. Sending you much love and hugs, Maria, Matt & Abbey Garrett (Austin, TX).
