“ Even though I never knew Lori as an adult, I still remember what a sweet , beautiful good-natured darling she was as a child. We all spent so much time together. I just want you to know that you're in my prays and thoughts. I know what a difficult time this must be and Susie, if you ever need or want to talk to someone, I'm a good listener. Try to focus on all the good memories, easy to say, hard to do. I know this first hand.

*My love to you all.*

“ I have no idea what to say other than my thoughts, prayers and condolences are with the Pannullo family. May your cherished memories of Lori give you some sort of comfort during this difficult time. Lori was a fiercely loyal friend to me growing up and right through our journey into motherhood... We laughed, we cried, we fought and we loved like no friend I've ever had and I will never forget her.
