“ *Lorrie and I are 1st. Cousins. Her dad and my mom were brother and sister. Most of my memories are from childhood at Babcia Baginski's house for all the family holidays. They say your cousins are your first friends and indeed, I think that's true. In recent years LORRIE, Ron, Velma and I would get together in Florida for a long lunch and catch up on family news. I will miss those, cuz I am saddened by her death. My condolences to her children and brother.*

“ *Lorrie you'll be dancing the Polka in heaven today although it isn't Dyngus Day and I will not be your partner for now....nor will I be your partner at Kleinhans Music Hall for all the musical performances that we've both shared. I know you'll be singing your favorite Barbara Streisand and Neil Diamond songs and the angels will accompany you for the chorus so stay on key so that Our Lord will hear you strong and clear. Life is full of ups and downs as we've talked about and this certainly is a downer for me. No words can bring comfort for your loss and I've prayed and am still praying for your soul....as for sure you are in HEAVEN. Your faithful and loving friend...Stephanie*
