“ This is Jennie Zulatowski's daughter Debbie. I can understand why my mother was mentioned but I think it is horrible that my younger sister Margie wasn't mentioned. I left Buffalo when I was 28 but Margie was the one who was taking of Aunt Lottie (until Margie was murdered on 5/2021. Margie had Aunt Lottie living at her home....she visited Lottie often at the nursing home....brought her clothing and food when the staff at the nursing home stole these things from here. Margie was the first person Aunt Lottie called and she isn't even mentioned....really!!
