“ *Though the distance is far,
you have always been in my heart.
You were just a flight away,
Now you are here to stay.
Another angel above
Is one that I love.
Sad and true
What love will do.
Until we meet again
Your always with me friend.
I Love you Aunt Marcia*

“ Tina, we are so sorry for your loss. We have so many wonderful memories with you, your mom, and Marcia. Mrs. Bolero (Nana) babysat our 3 kids, Dale, Dayna, & Derek over 12 yrs. After we moved to Depew Mrs. B watched them at her house and we got to know Tina and Marcia who often helped their mom. 1978! A few years later, I gave Marcia an application for a position at Immigration, where I worked at the time, (she also came over to Defense Contracts for a short while before returning to Immigration). The Boleros shared in our family events with the kids, and Marcia and I carpoled downtown for a couple years. I was driving her home (different place) when that crazy tornado touched down in Cheektowaga -right in front of my car! We watched in shock as the radio emergency announcement came on seconds later as it bounced across George Urban towards Union Rd! We haven't visited in a long while but we spoke several months ago. Christina, we've had a lot of laughs over the years. I know Marcia did her best to take care of everybody and now she can finally rest. We send our prayers and hugs and love. “ I worked with Marcia for I don't know how many years. She was as down to earth as anyone I've ever met. She didn't mince words either. Although I hadn't seen Marcia since I retired, whenever I reflect on my working life, I cannot do so without her being included. My condolences to her family and friends.
