“ Dear Family,  
Marie spent a lot of time with us at the Cheektowaga Senior Center and we are all better because we knew her. She has many friends here and she will be in our prayers. I had the pleasure of escorting some trips that Marie took and we shared lots of laughs and good memories. I am sorry that I couldn't make it to the wake to pay my respects in person. Please know she is remembered. May she rest in peace and may she always be alive in your memories! Sincerely,  
Kerry Peek, Senior Center Director
