“ *Dan and I wish you so much comfort during this very difficult time. We were so sorry and shocked to hear of the passing of Mark! I have so many memories of the times we spent at your house during the summers and holidays. Some of my favorite ones were of all the games we played while at your house upstairs...like hide and seek (with light out), and when your parents and ours would come upstairs shouting because we were either too loud, or someone got hurt (hahaha...when didn't that happen). Mark had some of the best hiding places...hahaha...*

*Love you Mark...you will be deeply missed!❤️
