“ I will forever miss our days together, or all the times we giggled over those lil secrets only you and I shared. I will always remember that beautiful smile, and the mischievous grin when you were in the mood and ready to cause trouble. Those times I will miss most! Not a day will go by that I won't reminisce my days spent with you. I will keep you and your memory alive but more importantly I will keep you in my heart, forever to hold. Fly high love! Gone but never forgotten! You were truly one of a kind and will forever be missed!! Rip!
