“ Matt was the center of our neighborhood. He was so genuine and
ready to give advice or share a story. We will miss his wonderful
smile and never give up attitude. For his family, please accept our
most sincere condolences and know Matt will be missed by the

“ To Mr. Matt's family...I was truly saddened to hear of his passing. I still own the empty lot next to his and owned the house on the neighboring lot on Wagner for 13 years. Mr. Matt was a great neighbor to have...always ready with a hello and a smile on his face, always watching out for all of his neighbors, and always supplying us with fresh veggies from his amazing garden each summer and fall. He was a good man, and he will be missed.

“ To Mr. Matt's family.... We are so sorry to hear of the passing of Mr. Matt. When we bought our house over 20 years ago he welcomed us with open arms. We would find huge bags of tomatoes and vegetables on our porch! He is the reason we started a garden! He was truly a very genuine, wise and brave man and we will miss looking across the street seeing him around the yard and sometimes on ladders!! Sometimes we would go and tell him to get down. He never asked for help and just took his time on the lawn, the snow and ice and garden. He always watched out for our house and all of the neighbors and when something was not right he would fly out and try to diffuse different situations in the neighborhood and didn't care who he had to deal with. I will miss seeing his sweet face and hearing his kind words. We just wanted to let you know that our hearts, thoughts and prayers are with you at this time and I know that he is pain free and I hope that your memories of him will help to keep his spirit alive forever. Please call us or stop by if you need anything at all!! With much Love, John & Maria xoxoxoxoxo

“ *I will always remember Uncle Matty during the summer time when I visited - come, come he would say - and into the garden we would go. He made sure I did not go home empty handed - oh, those tomatoes and cukes! I will truly miss my last uncle. Enjoy your journey and say hi to the gang up there for me. Wishes from your oldest niece.*

“ Dear Uncle Matty,
You mourned your wife, your parents and all your brothers and sisters, now we mourn you. I remember when I got my knee stuck in the slats of the front porch and you, heroically, rescued me! You were a good man who will be greatly missed. God keep you safe. Sympathies and love to Donna, Cheryl, David and Lori.

“ Uncle Marty was a part of that home since I can remember. Aunt Mary I remember. And my cousins. Spent a lot of younger years with you guys. Happy simpler days. He will always be in my heart and I'll think of him every time I garden... which is a lot. Taught me a lot. And I always stepped into see him when I was in town. My condolences Donna, Cheryl, David, and Lori. May Gods peace be with you. Cousin Teresa 🙏❤️
