“ *Dependable, sweet, caring, respectful, helpful, and loyal. All things that describe Mike. An amazing cook who taught me the ways of "bread, sauce, and cheese" as well as the best way to season a steak! It's the ONLY way I will eat one!*

My heart hurts for the family and friends you leave behind. I know use memories created with your friends will NEVER be forgotten.

RIP Michael.

“ *So sad, taken much too soon. Michael was always so pleasant to me. Stacey, you used to babysit my son Ryan, who is now 28. Still just a few doors down the street. My heartfelt sympathy to the family, Diane McMahon*

“ Forever shining in Gods grace , my best friend full of honor, trust and always dependable. Mike I'll forever miss you our work visits , long talks , someone to gripe to about life and all it's challenges we endure. I pray you are resting well and living a much better life and hope to see you once again someday and look forward to your laugh. Taken way to early from us all but now pain free from all the suffering. I loved you like a brother my friend and you will never be forgotten. Be patient up there and wait for us who love you. Everyday I'm thankful I knew you and had such a long lasting friendship that will always live on in my heart and mind . Always and forever Hoss , Blessings.
