“ *What can I say to the person who had me at hello 22 yrs ago? We may have shared memories of bitter and sweet but in the end, we made amends. I was so thrilled to hug you and tell you how sorry I was for being so absent. With those beautiful eyes, and a loving smile, you said "ahhh no need I love my Britney Ears! ". Such a 19v8ng, caring, nurturing person gone wayyy too soon. I will love and miss you always!!! In closing, I will say this. (You will get it) Harsha farsha har har sharfa far! I love you Michelle! Rest well!*
