“ I was Millie’s pharmacist at the Fay’s Drugstore near the corner of Broadway and Bailey many many years ago. She was always the sweetest and kindest lady and one of my very favorite customers, as evidenced by the fact that I still remember her so vividly. When my first child (who is now 28 years old) was born Millie brought me the cutest little floral onesie as a gift for her. I loved that onesie and my daughter wore it frequently. You have my deepest sympathy for your loss, and I just wanted to share this sweet story to show that Millie likely had a positive impact on more people than you realize. May she rest in peace.

I worked with Millie at ECDSS for a number of years. She was my work "matka" and one of the most pleasant memories of my time there. Her husband, Max, and I shared the same devotion to the Red Sox. (Suffering, too, especially in 1986). Millie's sense of humor was indispensable in the office, helping us all get through the day. I am forever thankful that our paths crossed. You are in my thoughts and prayers.
