“ Dear Toni,
I so loved Molly. If you remember how hard it was for her when she started Kindergarten. She missed you so. Remember how we talked and she started wearing either a locket with your picture or a heart, I don't remember which. I just remember her beautiful eyes that finally stopped crying. Please know I've been praying for the strength of your family.

Love,

My heart is broken in a million pieces for you and your family. There are no words. I hope you find peace and comfort in the time ahead. All love and sympathy.

Lori Zaccari - March 07, 2022 at 02:50 PM

Dear Kaminski Family, I only spoke to Molly a few times (when the kids were little at Court Street functions and piano recitals). But it was my pleasure. She was so sweet. And what a beautiful smile. Over the years I have enjoyed Toni's social media posts of all of Molly's accomplishments.

Please know that it is difficult to find the right words but we all extend our deepest sympathy and love.
