“ So many memories of your mom- all the times we stayed with you and your mom would make room for all of us without blinking an eye- making it all look so easy while she worked full time, coached baseball and kept everything running. The lifelong friendship between our families meant so much to all of us, and her continued close friendship with my mom was something she truly cherished. I still have painted porcelain pieces she gifted me so long ago. I am so glad to have spent time with her last summer laughing and joking and remembering the little things. She was truly a force and an amazing woman 🌸

“ So very sorry to hear of Mickie's passing. My heart aches for her family. I will never forget our trip to the Dominican Republic and we zip lined together!! At eighty years old she almost backed down except for the fact one of our guides said he would go with her. She was thrilled and agreed to go! At the end of the ride she was all smiles!! Confidentially, I think she enjoyed the guide more than the ride!!! Micky was a hoot! And she will never be forgotten. Rest in peace dear friend.

“ So sorry to hear of her passing. Mickie was one of my instructors in the MLT program at ECC She then contacted me for a teaching position when she became Department Head. She always supported the MLT/MA program at ECC until she retired. She was a fine lady and I will not forget her.
Sympathies to her entire family and friends.
