“ To Nancy's family: I have just now found out about Nancy's passing, and I wanted to send my thoughts and condolences to you. I knew Nancy since the 1990s, from working at U.B. She was always a pleasure to work with, and we had many a laugh together. She spoke of your father often, and how much she missed him, and she spoke of her children and grandchildren often. And her pets! I retired in 2016 and hadn't seen her since then. I will always remember her smile and laugh, and her kindness.

“ Before my Dad passed away Nancy and I spent many many hours together. She taught me to play Hopscotch, I loved it. Well in 1958 my Dad passed and I don't really know why, but we never saw each other again after that. I was 9. Later that spring I was at school and some of the girls were playing Hopscotch and I asked if I could join them. A roar of laughter erupted, and I was told " Only girls play Hopscotch". I was so mad at her, but didn't get together to tell her until 2007 when we finally rediscovered each other. We laughed for hours at the old memories. I will miss you dearly Cuz, Say hello to your Mom and my Dad
